Titan Books Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English. Brand new Book. 1977 was a bad year for Carey: The NYC summer was brutally hot, he barely made rent, and most of his friends were butchered by a cult. He needs a vacation. You know where there's supposed to be a killer punk scene? London. Oh, plus the leader of the aforementioned murderous cult is building an army there. Time to mix business with pleasure. 2013 was a bad year for Kaitlyn, too: LA was distinctly unkind to her aspirations towards a career in stunt work, she hooked up with her childhood crush, Marco-but he turned out to be an immortal psychopath trying to devour her soul. Now she's on the run through the American Southwest. She heard Marco's in Mexico, though, so all she has to do is cross the border, navigate a sea of acidic sludge monsters, and find a way to kill an unkillable monster before he sacrifices her and her friends to his extra-dimensional god. Nobody said a career in the entertainment industry would be easy.
