

## Destroying the Next: A Generation Under Siege (Paperback)

By Dr Ollie B Fobbs Jr

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. This book could have easily been around 600 pages, there are so many ways that this could have been turned to make a different statement, but the ideals behind this work is one factor of thinking and prayer, and that is the direction of the damage that is being done to the children. I have three grand daughters, and I love them all, my son, is the apple of my eye, sort of speak. My wife, is the greatest under Christ the Lord that has ever come into my life. But the true ethics of it all is the reality of, what is going to happen as far as one hundred years from now concerning the next three generations? Back in 1920, there were no facilities anywhere for children other than the United Homes for boys and girls, now there are facilities in every State, that house Children that have broken the laws of mankind. Kids have been some of the greatest inventors of our understanding, even though the Patenting laws forbids children to claim Patents, so either their parents or guardians took the credit...
